WELL DONE

Chic-Fil-A honey mustard... it's distinct, it's addictive, and now you can make it at home (with ingredients you can actually pronounce and find in any grocery store).

Ingredients

1/2 cup yellow mustard

1/3 cup honey

2 tablespoons corn syrup

1/4 teaspoon dark molasses

1/4 teaspoon tamarind paste

1/4 teaspoon kosher salt

How to Make It

Whisk together all ingredients in a medium bowl until well blended. Chill until ready to serve. Store in airtight container in refrigerator up to 2 weeks.
